THIS AGREEMENT is made on the date of execution stated on the cover page,

BETWEEN Uchcha Madhyamik Vidyalaya Adla (उच्च माध्यमिक विद्यालय अदला), a Government school under the Department of Education, Government of Bihar, bearing **UDISE Code 10280606804**, situated at Adla, Naubatpur, Patna District, Bihar — 801109, acting through its Head Master or such other officer as may be duly authorised in that behalf (hereinafter the “**Institution**”, which expression shall, unless repugnant to the context, include its successors in office and permitted assigns) **of the FIRST PART;**

AND Shri Kumar Mangalam, son of _____, aged about _____ years, holding UID (Aadhaar) No. **2064 8336 2684**, resident of 404/A, Vijay Complex, Rampur Road, Bazar Samiti, Patna — 800006, Bihar (hereinafter the “**Developer**”, which expression shall, unless repugnant to the context, include his heirs, legal representatives, executors and permitted assigns) **of the SECOND PART.**

Recitals

- A.** The Institution, a Bihar Government higher secondary school established in the year 2020 and imparting instruction from Class 9 to Class 12, desired to establish an official website for institutional information, public communication and statutory disclosure.
- B.** The Developer has designed, developed and deployed the said website at the domain **umvadla.in**, has designed the visual identity and crest of the Institution, has procured the said domain name, and has configured the associated electronic mail services.
- C.** The Parties are desirous of recording in writing the terms upon which the said website, domain name, electronic mail services, branding materials and associated credentials are handed over to the Institution, the basis upon which the Institution is licensed to use the same, and their respective continuing obligations.

NOW THEREFORE, in consideration of the mutual covenants set out below and the consideration acknowledged at Clause 4, the Parties agree as follows:

1. Definitions and Interpretation

1.1 In this Agreement, unless the context otherwise requires:

- “**Website**” means the website deployed at the Domain, comprising the front-end application, the application programming interface at **umv-adla-backend.onrender.com**, and the source code, templates, stylesheets, scripts and configuration described in **Schedule A**.
- “**Domain**” means the internet domain name **umvadla.in** together with all associated DNS records.
- “**Branding Materials**” means the crest, logo, wordmark, colour specification and related identity artwork designed by the Developer for the Institution, as described in **Schedule B**.
- “**Institution Content**” means all text, photographs, images, notices, circulars, results, staff and student particulars and other material supplied by or on behalf of the Institution for publication on the Website.
- “**Credentials**” means the usernames, passwords, access keys, environment variables and administrative access particulars identified in **Annexure 1** and **Annexure 2**.
- “**Handover Date**” means the date on which the Credentials are delivered and the Handover Document is countersigned, as stated in **Schedule C**.
- “**Warranty Period**” means the period of **thirty (30) calendar days** commencing on the Handover Date.
- “**DPDP Act**” means the Digital Personal Data Protection Act, 2023, together with the rules and notifications made thereunder, as amended from time to time.
- “**Defect**” means a reproducible failure of the Website to function in accordance with **Schedule A**, excluding the matters listed at Clause 8.4.

1.2 Headings are for convenience only. Words importing the singular include the plural. A reference to a statute is to that statute as amended or re-enacted. The Schedules and Annexures form an integral part of this Agreement.

2. Scope of Services Delivered

- 2.1** The Developer has designed, developed, tested and deployed the Website comprising the **fourteen (14) routes** enumerated in **Schedule A**, in English and Hindi, with light and dark display modes, and has designed the Branding Materials described in **Schedule B**.
- 2.2** The Developer has procured the Domain and configured the three electronic mail addresses listed at Clause 6.
- 2.3** The scope of this Agreement is limited to the matters expressly set out in the Schedules. Any page, feature, module, integration or material not so described — including any route recorded in **Schedule A** as not delivered — lies outside scope and shall be undertaken only under Clause 9.

3. Delivery, Acceptance and Handover

- 3.1** The Developer shall deliver on or before the Handover Date: (a) the live Website at the Domain; (b) the Branding Materials in the formats listed in **Schedule B**; (c) the Credentials identified in **Annexure 1** and **Annexure 2**; and (d) the Website Handover Document.
- 3.2** The Institution shall within **seven (7) days** of the Handover Date inspect the deliverables and either countersign the acknowledgement in the Handover Document or notify the Developer in writing of any Defect. Failing such notification within the said period, the deliverables shall be deemed accepted in full.
- 3.3** Upon delivery of the Credentials the Institution assumes sole and exclusive control of the Domain, the hosting account, the application backend and the electronic mail services, and sole responsibility for their operation, security and renewal.
- 3.4** The Institution shall change every password comprised in the Credentials promptly upon receipt and confirm having done so in writing. The Developer shall have no liability in respect of any unauthorised access occurring after the Handover Date.

4. Consideration

- 4.1** The consideration in respect of the design and development of the Website and the Branding Materials has been separately settled between the Parties, and the Developer acknowledges receipt thereof in full and final satisfaction, save as regards Clause 4.2.
- 4.2** **Domain registration.** The Domain has been registered through Hostinger PTE for an initial term of three years. The particulars, as evidenced by the tax invoice reproduced at **Annexure 3**, are:

PARTICULAR	DETAIL
Domain	umvadla.in — .IN, billed every 3 years
Registrar	Hostinger PTE, Singapore
Invoice number	HSG-9475840
Order number	hb_60412279
Registration period	08 September 2026 to 08 September 2029
Amount excluding IGST	Rs. 1,799.00 (list Rs. 2,697.00 less promotional discount Rs. 898.00)
IGST @ 18%	Rs. 323.82
Total paid	Rs. 2,122.82 (Rupees Two Thousand One Hundred Twenty-Two and Paise Eighty-Two only)
Registrant of record	Umvadla Vidyalaya, Adla, Naubatpur, Patna 801109, Bihar — umvadla@gmail.com
Payment status	PAID · borne by (strike out as applicable)

- 4.3** **Renewal.** Upon expiry on 08 September 2029 the Domain shall be renewed by the Institution at its own cost at the rate then prevailing under **Hostinger's renewal policy and published tariff**. The Parties expressly record that the sum of Rs. 1,799.00 reflects a **first-term promotional discount of Rs. 898.00**, that the renewal rate will in all likelihood approximate the undiscounted list price then applicable together with tax, and that such pricing is determined solely by the registrar and is neither guaranteed nor controlled by the Developer.
- 4.4** The Institution acknowledges that failure to renew on or before the expiry date may result in suspension of the Website and of the electronic mail services at the Domain, and may result in the Domain becoming available for registration by third parties. The Developer shall bear no liability arising from such failure.

5. Domain, Hosting and Backend – Ownership and Control

- 5.1** The Parties record that the Domain **already stands registered in the name of the Institution**, at the address of the Institution and against the electronic mail address umvadla@gmail.com, as appears from **Annexure 3**. No transfer of registrant is therefore required, and this Agreement effects a handover of *control and credentials* only.
- 5.2** The Domain, the hosting account and the application backend at umv-adla-backend.onrender.com shall with effect from the Handover Date be held, operated, administered and paid for **solely and exclusively by the Institution**.
- 5.3** Upon delivery of the Credentials the Developer shall retain **no continuing access** to the Domain, the hosting account or the backend, save as provided at Clause 8.3.
- 5.4** The Institution shall be solely responsible for: (a) all renewal fees for the Domain, hosting and backend services; (b) maintaining valid billing details with each provider; (c) maintaining accurate registrant contact particulars; (d) responding to any registrar verification communication; and (e) the security of all accounts, including two-factor authentication.
- 5.5** **Third-party service tiers.** The Institution acknowledges that the backend is presently deployed upon a hosting tier which suspends the service when idle, in consequence whereof the first request after a period of inactivity, and the images served through it, may take an appreciable time to load. This is a characteristic of the selected service tier and not a Defect. Migration to an always-available tier is a matter for the Institution under Clause 9.

6. Electronic Mail Services

ADDRESS	PURPOSE	PROVIDER	CONTROL FROM HANDOVER
umvadla@gmail.com	Primary institutional correspondence; Google account recovery	Google	Institution
webmaster@umvadla.in	Registrar, hosting and technical notices	Domain mail	Institution
contact@umvadla.in	Public contact address published on the website	Domain mail	Institution

- 6.1** The Institution shall promptly upon the Handover Date change the passwords of the said accounts and update the recovery telephone number and recovery electronic mail address of the Google account to particulars under the exclusive control of the Institution. Until this is done, the Institution acknowledges that account recovery may remain technically possible through previously configured details.
- 6.2** The Institution shall ensure that webmaster@umvadla.in is monitored, registrar and hosting notices being directed to that address. Non-monitoring shall be at the sole risk of the Institution.
- 6.3** The address contact@umvadla.in is published upon the Website and receives public enquiries. The Institution shall monitor and respond to the same.

Acknowledgement of dependency

The Institution expressly acknowledges that the Website, the Domain, the backend and the electronic mail services depend upon third-party providers, including the registrar, the hosting provider, the backend platform and Google, and further that photographic media published upon the Website is served through a third-party storage service. The availability, pricing, terms and continuity of all such services lie outside the control of the Developer, who shall not be liable for any interruption, degradation, price revision, policy change or discontinuation thereof.

7. Intellectual Property Rights

7A The Website and Source Code

- 7.1** All intellectual property rights subsisting in the Website, including the source code, object code, templates, stylesheets, scripts, database structure, application programming interface and architecture, together with all methods, techniques and know-how employed in their creation, **are and shall remain the sole and absolute property of the Developer.**
- 7.2** The Developer hereby grants the Institution a **perpetual, irrevocable, non-exclusive, royalty-free, worldwide licence** to use, host, operate, display, modify, adapt and maintain the Website for all lawful purposes of the Institution. The licence is granted in perpetuity and shall survive termination for any cause.
- 7.3** The licence entitles the Institution to engage any third party to maintain, modify or extend the Website without reference to or consent of the Developer, who shall have no claim in respect of, and equally no liability for, any such modification.
- 7.4** The licence does not permit the Institution to sell, sub-licence, distribute or commercially exploit the source code as a standalone product, or to deploy the Website or any substantial part of it for any institution other than the Institution.
- 7.5** The Developer expressly reserves the right to reuse, adapt and redeploy the underlying code, frameworks, components and techniques for other clients and projects, provided that no Institution Content and no Branding Material of the Institution is so reused.

7B Branding Materials and Crest

- 7.6** The Branding Materials, comprising the circular crest bearing the motto **सा विद्या या विमुक्तये**, the tree and open-book device, the ring lettering **UMV ADALA**, and the associated colour and typographic specification, were originated and designed by the Developer. All intellectual property rights therein, including copyright, **are and shall remain the sole and absolute property of the Developer.**
- 7.7** The Developer hereby grants the Institution a **perpetual, irrevocable, non-exclusive, royalty-free, worldwide licence** to use, reproduce, display and adapt the Branding Materials for any and all purposes of the Institution, including without limitation:
- the Website and any successor or replacement website;
 - signage, boards, gates, hoardings and building elevations;
 - uniforms, badges, ties and all school apparel;
 - stationery, letterheads, identity cards, certificates, transfer certificates, prospectuses and admission material;
 - official seals, rubber stamps and embossing dies;
 - social media, electronic communications and digital media of every description;
 - publications, magazines, banners and merchandise; and
 - registration of the same as a trade mark or device mark in the name of the Institution or of the Department of Education, Government of Bihar, to which the Developer shall raise no objection and shall if required execute a no-objection certificate.
- 7.8** The said licence is perpetual and irrevocable and shall survive termination. The Developer shall not licence the Branding Materials, or any work substantially similar thereto, to any other educational institution.

7C Institution Content and Portfolio Rights

- 7.9** All Institution Content shall at all times remain the sole property of the Institution. The Developer claims no right, title or interest therein and shall not use, retain, reproduce or disclose the same otherwise than for performance of this Agreement.
- 7.10** The Developer shall be entitled to display the Website and the Branding Materials, and to describe this engagement, in his professional portfolio, website, showreel, social media and marketing materials, and to submit the same to design awards and publications. Such display shall not include any personal data of any student, parent or member of staff, nor any photograph in which a student is identifiable.
- 7.11** The Institution acknowledges the attribution **“Developed by Kumar Mangalam”** presently appearing in the footer of the Website, and agrees that the same shall not be removed during the Warranty Period. Thereafter its retention shall be at the discretion of the Institution.

8. Warranty

- 8.1** The Developer warrants that as at the Handover Date the Website functions substantially in accordance with Schedule A.
- 8.2** During the **Warranty Period of thirty (30) calendar days** the Developer shall rectify, free of charge, any Defect notified in writing, and shall commence rectification within **three (3) working days** of notification.
- 8.3** **Access for warranty purposes.** Notwithstanding Clause 5.3, the Institution shall upon written request grant the Developer such temporary access to the hosting account, the backend, the administration interface and the domain control panel as is reasonably necessary to diagnose and rectify a notified Defect, such access to be revoked upon completion. Where the Institution declines or delays such access, the Developer's obligation under Clause 8.2 stands suspended for the duration of such refusal or delay, and the Warranty Period shall not thereby be extended.
- 8.4** **Exclusions.** The warranty does not extend to any failure, error or interruption arising from:
- any modification, edit, plugin, script or code introduced by the Institution or by any third party engaged by it;
 - any act, omission, misuse, misconfiguration or negligence of the Institution or its personnel;
 - failure to renew, or suspension of, the Domain, hosting, backend or any third-party service;
 - latency, cold-start delay or media loading time attributable to the selected hosting tier or to third-party storage, as recorded at Clause 5.5;
 - failure, outage, alteration or discontinuation of any third-party service, platform or application programming interface;
 - any unauthorised access, hacking, malware or defacement occurring after the Handover Date;
 - incorrect, incomplete, unlawful or infringing Institution Content, including placeholder or test content not removed by the Institution;
 - changes in browser, device or operating system published after the Handover Date; or
 - any request constituting a new feature, enhancement, redesign or change to agreed scope, including completion of any route recorded in **Schedule A** as not delivered.
- 8.5** Save as expressly stated in this Clause 8, all warranties, conditions and terms implied by statute or common law are excluded to the fullest extent permitted by law. The Developer does not warrant that the Website shall be uninterrupted, error-free or free from vulnerability.

9. Services Beyond the Warranty Period

- 9.1** Upon expiry of the Warranty Period the Developer shall be under **no obligation** to perform any further work in respect of the Website, the Domain, the backend, the Branding Materials or the electronic mail services.
- 9.2** Any work required thereafter — including rectification of any defect howsoever arising, correction of errors, restoration following any incident, content updates, redesign, new pages, new features, completion of undelivered routes, third-party integration, migration between hosting tiers, or technical assistance of any nature — **shall be undertaken only upon a separate written contract or work order executed between the Parties, and strictly on a paid basis.**
- 9.3** Each such instrument shall, before any work is commenced, specify (a) the scope of work; (b) the charges payable and basis of computation; (c) the timeline; and (d) payment terms. No work shall be commenced and no charge shall become payable in the absence of such written instrument signed by both Parties.
- 9.4** The Developer is under no obligation to accept any such engagement and may decline without assigning reason. Nothing herein creates any right of first refusal, retainer, exclusivity or continuing engagement.
- 9.5** Indicative rates, if any, are recorded at **Schedule E**, are valid only for the period stated therein, and are subject to revision.

10. Obligations and Responsibilities of the Institution

- 10.1** With effect from the Handover Date the Institution shall be **solely and exclusively responsible** for each of the following, and the Developer shall bear no liability in respect thereof:
- all Institution Content published upon the Website and its accuracy, completeness, currency, legality and propriety;
 - the accuracy of all academic, admission, examination, fee, staff, statutory and disclosure information displayed, including the particulars appearing upon the Mandatory Disclosure page;
 - removal of any placeholder, sample or test content prior to or promptly after go-live;
 - lawful ownership of, or valid licence to use, every photograph, image, document and text supplied for publication;
 - compliance with every law applicable to the Institution and to the operation of the Website, including the DPDP Act, the Information Technology Act, 2000 and rules thereunder, the Right of Children to Free and Compulsory Education Act, 2009, and all directions of the Bihar School Examination Board, the Department of Education, Government of Bihar, or any other competent authority;
 - renewal of the Domain, hosting and backend services, and the security of all accounts and Credentials;
 - periodic backups of the Website and of all data;
 - moderation and removal of any unlawful, defamatory, obscene or infringing material; and
 - the conduct, training and access rights of every person to whom the Institution grants access to the Admin Portal.

11. Personal Data, Photographs of Children and Statutory Compliance

- 11.1** The Parties acknowledge that the Website publishes photographs of students through its Photo Gallery, and displays the names and designations of members of staff, and that several of the students so depicted are children within the meaning of the DPDP Act.
- 11.2** **The Institution is the Data Fiduciary** in respect of all personal data processed in connection with the Website, within the meaning of Section 2(i) of the DPDP Act. The Developer has acted and acts solely as a technical service provider upon the instructions of the Institution and is not a Data Fiduciary in respect of such data.
- 11.3** **Verifiable parental consent.** The Institution warrants and undertakes that in respect of every photograph, image, name or other personal data of a child published or to be published upon the Website it has obtained and shall retain the **verifiable consent of the parent or lawful guardian** as required by Section 9 of the DPDP Act, prior to such publication.
- 11.4** The Institution shall not undertake any tracking, behavioural monitoring or targeted advertising directed at children, nor any processing of a child's personal data likely to cause any detrimental effect upon the well-being of the child, the same being prohibited by Section 9(3) of the DPDP Act.
- 11.5** The Institution shall maintain a written record of every consent obtained, in a form capable of production to the Data Protection Board of India, and shall establish a procedure by which a parent or guardian may withdraw consent and require removal of any photograph, and shall act upon such withdrawal within a reasonable period.
- 11.6** The Institution shall publish upon the Website a privacy notice conforming to Section 5 of the DPDP Act, and shall nominate and publish the particulars of a grievance officer.
- 11.7** In the event of any personal data breach, the obligation to give notice to the Data Protection Board of India and to affected Data Principals under Section 8(6) of the DPDP Act rests solely upon the Institution.
- 11.8** The Developer does not retain and shall not process any personal data of students, parents or staff otherwise than as strictly necessary for performance of this Agreement, and shall delete any such data in his possession upon expiry of the Warranty Period.

Indemnity — content and personal data

The Institution shall at all times keep the Developer fully indemnified and held harmless against all claims, demands, proceedings, penalties, fines, costs, damages and expenses, including legal costs on a full indemnity basis, arising out of or in connection with: (a) any Institution Content, including any allegation of infringement of copyright, trade mark, privacy, publicity or personality rights; (b) any breach of the DPDP Act or of the warranties at Clauses 11.3 to 11.7, including any absence or insufficiency of parental consent in respect of photographs published in the Photo Gallery; (c) any inaccuracy in information published upon the Website, including the Mandatory Disclosure page; or (d) any breach by the Institution of Clause 10.

12. Confidentiality

- 12.1** Each Party shall keep confidential all Credentials, environment variables, technical information, internal records and commercial terms disclosed by the other, and shall not disclose the same save as required by law or by a competent authority.
- 12.2** This obligation shall survive termination and continue for **three (3) years** thereafter, save in respect of Credentials and environment variables, as to which it shall continue in perpetuity.

13. Limitation of Liability

- 13.1** The aggregate liability of the Developer arising out of or in connection with this Agreement, whether in contract, tort, negligence, statute or otherwise, shall **not exceed the total consideration actually received by the Developer** in respect of the development of the Website.
- 13.2** The Developer shall in no event be liable for any indirect, incidental, special or consequential loss, or for loss of profit, revenue, reputation, goodwill, admissions, data or anticipated saving.
- 13.3** Nothing herein excludes or limits liability for fraud, wilful misconduct, or any liability which cannot lawfully be excluded.

14. Term and Termination

- 14.1** This Agreement takes effect on the Effective Date and, save in respect of provisions expressed to survive, stands concluded upon expiry of the Warranty Period.
- 14.2** Clauses 7, 10, 11, 12, 13, 16 and the indemnities herein shall survive termination and continue in full force and effect.

15. Force Majeure

- 15.1** Neither Party shall be liable for any failure or delay attributable to any cause beyond its reasonable control, including act of God, flood, fire, epidemic, pandemic, war, civil disturbance, strike, governmental order, failure of electricity or telecommunications, or failure of any third-party service provider.

16. Governing Law and Jurisdiction

- 16.1** This Agreement shall be governed by and construed in accordance with the laws of India.
- 16.2** The Parties shall first endeavour to resolve any dispute amicably. Failing resolution within **thirty (30) days**, the dispute shall be referred to the **courts at Patna, Bihar**, which shall have exclusive jurisdiction.

17. Notices

- 17.1** Notices shall be in writing and delivered by hand against acknowledgement, by registered post with acknowledgement due, or by electronic mail – in the case of the Institution to umvadla@gmail.com and webmaster@umvadla.in, and in the case of the Developer to the address stated on the cover page. Electronic mail shall be deemed served on the next working day following transmission.

18. Miscellaneous

- 18.1** **Entire agreement.** This Agreement with its Schedules and Annexures constitutes the entire agreement and supersedes all prior discussions, representations and quotations, whether oral or written.
- 18.2** **Amendment.** No amendment shall be effective unless in writing and signed by both Parties.
- 18.3** **Severability.** If any provision is held invalid or unenforceable the remainder shall continue in full force.
- 18.4** **No partnership.** Nothing herein constitutes a partnership, joint venture, agency or employment. The Developer is an independent contractor.
- 18.5** **Assignment.** Neither Party shall assign without the prior written consent of the other, save that the Institution may assign to a successor authority within the Department of Education, Government of Bihar.
- 18.6** **Counterparts.** This Agreement is executed in **two (2) counterparts**, each deemed an original and both together constituting one instrument. The counterpart marked “**School Copy**” shall be retained by the Institution and that marked “**Developer Copy**” by the Developer.
- 18.7** **Authority.** The signatory for the Institution warrants that he or she is duly authorised to execute this Agreement on behalf of the Institution and that all approvals and sanctions required under the rules applicable to a Government school have been duly obtained.

IN WITNESS WHEREOF the Parties hereto have set their respective hands to this Agreement on the day, month and year stated on the cover page, at the place therein mentioned, in the presence of the witnesses attesting below.

Nothing in this Schedule obliges either Party

The Institution is under no obligation to engage the Developer for any post-warranty work, and the Developer is under no obligation to accept any such engagement. Either may decline without assigning reason. This Schedule creates no retainer, no exclusivity and no right of first refusal.

SCHEDULES — ATTESTATION

The Parties confirm that Schedules A to E and Annexures 1 to 3 have been completed, read and initialled by both Parties, and form an integral part of this Agreement.

INITIALS — FOR THE INSTITUTION

INITIALS — THE DEVELOPER

Annexure 1 — Platform Credentials

Security notice — read before filing this document

This Annexure contains **live access credentials**. It is reproduced in both executed counterparts at the express instruction of the Parties. In consequence, any person having sight of either counterpart, at any time, has full administrative access to the Institution's website, database, source code and hosting accounts.

The Institution shall change every password recorded below immediately upon handover, in accordance with Clause 3.4, whereupon the values printed here cease to be live and the risk is extinguished. Until that is done this document must be treated as a confidential instrument and kept under lock. Both counterparts should be stored securely and not photocopied.
